

High Risk Training Materials

*Options to suit your
budget and training needs*

Easy Guides **Licence to operate a forklift truck** Start Up Pack has been designed to suit a variety of budgets and training environments. With the comprehensive suite of learning materials, learning styles may include:

- Students completing self-paced learning away from the trainer
- Students completing a combination of self-paced and classroom learning
- Students working at a set venue in class groups.

Option 1

Each learner is given their own copy of the Information Book and the Learner Workbook to work through, either on their own or in a classroom setting. Additional learning and revision is provided with the PowerPoint Presentation/Trainer Resource CD.
