Check List Key:  $[\sqrt{\ }] = OK$   $[\ \ \ \ \ \ \ \ ] = Action needed$ 

[ N/A ] = Not applicable

## DAILY WELDING MACHINE PRE-START INSPECTION CHECKLIST

Welding Machine Number	Week Commencing:		

Pre-Start Inspection List	MON	TUE	WED	THU	FRI	SAT	SUN	Comments
(a) Electrical Inspection Tag - In Date?								
(b) Is Weld Machine & Wire Feeder Calibration in Date?								
(c) Mains supply socket & switch		Ι,						
(d) Plug								
(e) Primary cable supply to the welding power source								
(f) Welding power source								
(g) Welding cable connections								
(h) Welding cables (electrode and work cables)								
(i) Welding cable extension connections								
(j) Welding hand pieces								
(k) Work clamp								
(I) Engine drive welding power sources								
(m) Hazard Reduction Device (HRD)								
(n) Are Gauges, Regulators & Hoses in good working condition?
