Core skills summary	Core skills summary

Level 2

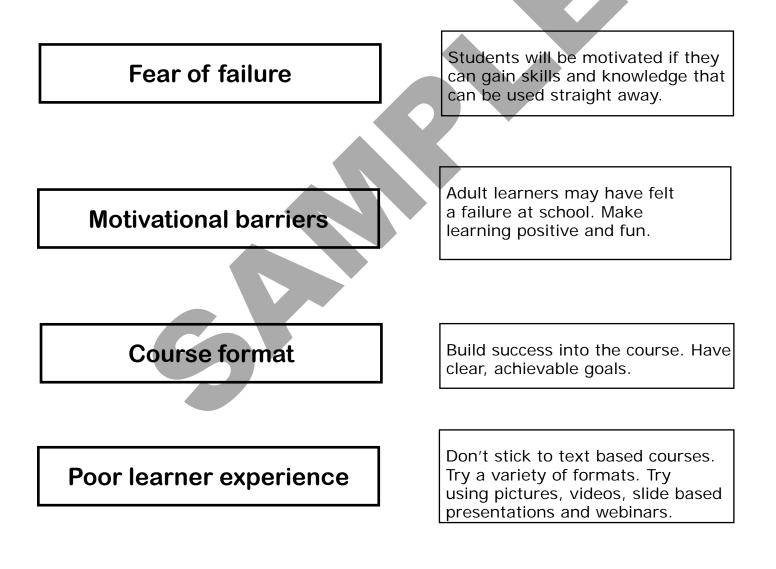

2. Barriers to learning

There can be many barriers that make learning more difficult.

Use a line to match the barriers on the left with the ways to overcome them on the right.

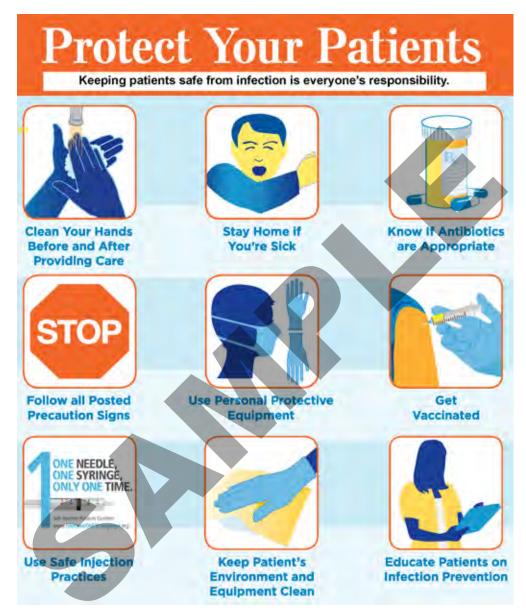

Reading Level 2

3. Infection control

Read the poster and answer the questions.

(a) Whose responsibility is it to keep patients safe from infection? Answer: _____

(b) How many ways does the poster tell you to keep patients safe from infection? _____

(c) How many times should you use a needle and syringe? Answer: _____

(d) When should you clean your hands? Answer: _____

1. Accident report

Read the scenario and then fill out the Incident Report Form. SCENARIO

Jenny is a full time worker in the Moulding Department. Her ID number is JEN-123. Jenny was working in Section 8. Jenny only used one hand getting onto the forklift and slipped. She bruised her right hip falling onto the concrete floor. The accident happened at 10 am on the 6th of February. Jenny was given first aid. An ice pack was put on Jenny's hip. The accident was reported at 11 am after Jenny had been treated.
